Dear parent and carers

This week, I have written to parents of Year 11, 12 and 13 to outline the work students and staff are involved in to gather evidence for Teacher Assessed Grades. So many of our students are working with concentrated dedication to build the evidence to be recognised in GCSE, AS and A Level grades in the summer. This investment is being supported by all the staff at Lady Lumley's, in so many ways. We understand the challenge this is presenting for all involved, including parents and families. Given that, it was even more fantastic to hear from an anonymous caller sharing what he had seen whilst shopping in Pickering, during lunch time. This gentleman had spoken to a group of Lady Lumley's Sixth Form students who were enjoying the sun and a break and commented how polite and considerate they were and how good it was to see students enjoying each other's company. A good reminder to us all to balance the hard work with looking after our wellbeing as we head into the Bank Holiday weekend.

Omegle

We have been made aware of a new app called Omegle where students can message and send photos to other students. Please can we ask parents/ carers to talk to their child about the importance of staying safe online. Thank you.

ParentPay

We would once again like to encourage all parents and carers to access their child's ParentPay accounts. Please can you make sure that the email address is up to date along with adding a mobile telephone number if you have not done so already.

We are using ParentPay as a way of communicating all important updates from school and information through email and text messages. Your contact details will be stored securely and not given to any third parties. If you do not have your ParentPay login details, please contact Janet Phillips either by phone: 01751 470043 or by email: jphillips@ladylumleys.net. Thank you.
