# Newsletter

7th May 2021 Issue Number 530

Dear Parents and Carers

Lady Lumley's have now joined 'Coast and Vale Trust' and we are delighted to be working closely with Scalby School and with Brian Crosby, the Trust CEO. This is an exciting time for all of us, a time that will bring change to Lady Lumley's whilst valuing and recognising its proud tradition. We will continue to publish a newsletter but will send this once a fortnight rather than every week. Through this, and through other means of communication we will ensure you are updated on the news from Lady Lumley's.

As we are a 'new school' we will constitute a new Local Governing Board to work with Lady Lumley's and the Trust. An important voice on the Governing Board will come from parents of current students. We will write to you, in due course, with further information for you to consider. You may be interested in becoming a parent governor or know someone who you think would make a valuable contribution but may need some encouragement!

Please do continue to contact the school through the appropriate channels if you have concerns or want to share information. We always appreciate working with parents to better understand our students. We will of course endeavour to get back to you as soon as possible and always within 24 hours. Making an appointment to come into school can be managed through reception and will save frustrations when staff are unavailable through teaching commitments or working with students and families. Clair Foden

## School Games

Last term, students from across North Yorkshire competed in a School Games 'Ultimate Warrior' fitness challenge. As winners of their respective Ryedale and Whitby area competitions, both **Naomi Drake** (Year 7/8 Girls) and **Owen Jeffrey** (Year 7/8 Boys) earned a place in the virtual North Yorkshire County final. In the County competition, Naomi achieved third place and Owen achieved second place, with each receiving a medal. This is a fantastic achievement. Congratulations and well done!

### Junior Maths Challenge

Last week was a busy week in the maths department; the Junior Maths Challenge took place, and we finally received the results of the Intermediate Kangaroo that one of our students sat a while ago.

You may remember from a previous newsletter that during lockdown almost sixty of our Year 10 and 11 students sat an online version of the UKMT Intermediate Maths Challenge. **Evie Mansell** was our top scorer and secured an opportunity to take part in the follow-on round, The Intermediate Kangaroo. We found out this week she got a fantastic score which earned her a Certificate of Merit.

This week it was the turn of our Year 7 and Year 8 students. A few weeks ago, all Year 7 and Year 8 students were given the option to do an extra piece of home learning which was a previous Maths Challenge paper, the top thirty scorers in each year group secured a place to take part in this year's Junior Maths Challenge. On Thursday 29th April, sixty Year 7 and Year 8 students went to IT5 and 6, and with their unique username and password logged on to the Maths Challenge website to complete the challenge. This is the first year we have run the challenge online and the students coped with the new use of technology fantastically well. Stay tuned later in the Month for news of their results.

### ParentPay

We would once again like to encourage all parents and carers to access their child's ParentPay accounts. Please can you make sure that the email address is up to date along with adding a mobile telephone number if you have not done so already.

We are using ParentPay as a way of communicating all important updates from school and information through email and text messages. Your contact details will be stored securely and not given to any third parties. If you do not have your ParentPay login details, please contact Janet Phillips either by phone: 01751 470043 or by email: [jphillips@ladylumleys.net](mailto:jphillips@ladylumleys.net). Thank you.

### Immunisations

The Childhood Immunisation service delivers routine immunisations in educational settings and will also offer catch up immunisations. The Childhood immunisation team come into school to deliver immunisations to those for whom consent has been obtained. They deliver: HPV vaccinations to **all** Year 8, Men ACWY vaccination for **all** children in Year 9, DTP vaccination for **all** children in Year 9 and MMR vaccinations for any child aged 5-19. Please complete the online form to consent:
