

Lady Lumley's School
Newsletter
21st May 2021 Issue Number 531

Dear Parents/Carers,

I am writing to you to outline some important areas of further school improvement that Lady Lumley's are investing in.

Lady Lumley's has a proud tradition that is illustrated through our name, badge, and colours. To recognise this tradition yet build our ambition for providing the best 21st Century education we can, we have adopted the vision of 'Being our best' for all members of the community, under the values of 'Learning and Leadership; Ambition and Progress'. This, along with an updating of the school badge (see right), will readily translate to new signage and website. The heraldry of the school talks to the importance of bravery and a commitment to education for all – our new parrots/popinjays are in flight symbolising the ambition of Lady Lumley's for all its community!

Many parents and students have asked if there will be a change in uniform as we have joined 'Coast and Vale Trust'. This is an exciting opportunity to look afresh at Lady Lumley's uniform, balancing tradition and belonging to a new family of schools. There will be no change to uniform for September 2021; asking hard pressed families to find additional funding with little notice at this economically difficult time would not be right. Instead, we will look at the uniform from September, when we will have the opportunity to consult with students and parents and build in financial planning time.

We are also planning a programme of drop in events for parents over the next academic year, giving the opportunity for the school to give specific support, but also for parents to have the opportunity to get involved in the life of Lady Lumley's bringing their experience and expertise.

Clair Foden

Girls Active

Lady Lumley's School has recently signed up to be part of the Youth Sport Trust 'Girls Active' programme. The focus of this is to increase activity levels amongst girls. This is particularly important as, overall, girls are less active than boys and the gap between girls' and boys' activity levels grows as they get older. We would like to change this, as we know how important physical activity is for our physical, mental and social well-being.

Our Girls Active Leaders will be publishing weekly activities and challenges on the bulletin boards – please look out for them and give them a try. The first challenges were published last week, and we have been delighted to hear such positive feedback from those who have tried them! When restrictions are eased and we are no longer working in bubbles, we will have some face-to-face activities in school. We hope this will encourage girls to get involved and help us to achieve our goal: 'More girls, more active, more often'.

If you have any ideas or suggestions, please speak to one of our Girls Active Leaders – **Amelia Breckon, Chayse O'Donoghue, Eva Jay-Hanmer, Phoebe Philips, Sienna Prince and Zhane Milner** – or Miss Robinson (srobinson@ladylumleys.net). We would love to hear from you. Thank you!

Y11 Leavers Hoodies - If current Y11 students would like a LLS Leavers Hoodie then please follow the link at https://www.sportsbulk.co.uk/category_s/921.htm to the shop. Deadline date for ordering is Friday 28th May.
