

Lady Lumley's School

Newsletter

26th March 2021 Issue Number 526

Dear Parents and carers,

It is with a hint of sadness that I write this, my final newsletter, as Acting Headteacher. As many of you will be aware my association with this school goes back over 30 years and I am incredibly proud to have been given the opportunity to lead this school over the past 9 months. Over the course of those 9 months, I have; faced the fall out from the October 2019 Ofsted, two lengthy school closures, the cancellation of two sets of public examinations, managed the planned conversion to an Academy, two visits from Ofsted and have led the school throughout the ongoing coronavirus pandemic. I believe we have achieved a great deal over that time, that the school is now in a better place and all associated with the school now have a much more positive view of what Lady Lumley's school has to offer. I will of course still be here, and I am looking forward to resuming my role as Deputy Headteacher and working with our new Headteacher and Scalby Learning Trust.

I would like to thank you all for your ongoing support over the last few months and I hope you all have a great Easter.

Best Wishes. Stuart Cleary

Y9 Options

I hope you were all able to access the Virtual Options Evening on the school website and found the information along with the Options booklet useful in supporting students with the options process. When students return from the Easter break they will be given an appointment time to meet with a member of the Extended SLT to discuss the options process. Having not had the opportunity to speak to the key staff in person there will be an opportunity to speak to a member of the Extended SLT on Thursday 15th April between 16:00 - 18:30. Please email sthompson@ladylumleys.net should you wish to have an appointment. Mrs Thompson

Facemasks

At the time of writing, there has been no change to the guidance around the wearing of facemasks in lessons and as such, students will be expected to continue to wear them after Easter. I will update students and parents when this guidance changes. After Easter, all students will receive a personal supply of facemasks to keep in their school bag.

Uniform

Please be aware that after Easter, because the weather will be warmer, we will be reverting back to the normal rules with regards to the school uniform.

To clarify, students will not be allowed to wear any outdoor garment-sweatshirts (except their green school one!), hoodies, coats etc either in classrooms or when moving around the school building. After Easter summer uniform rules mean that the green sweatshirt is not compulsory. Mr Cleary

Home Testing

Students should have received enough home testing kits to enable them to continue twice weekly testing during the Easter holidays. Please keep me informed of any positive tests by emailing scleary@ladylumleys.net. The school out of hours telephone number will be available again once school re-opens.

Food Technology Under The Sea Challenge

Many thanks to all the students who took up this challenge. The standard of entry was extremely high and you should all give yourselves a pat on the back for your hard work. House points will be awarded to everyone who took part. After much deliberation the top three in each year group are:

Y7 - **Isobel Yeabsley, Connor Morland and Connor Keown**

Y8 - **Orla Brown, Eli Mallison and Maddison Lees**

Y9 - **Sarah Brennan, Lucy Tingay and Teagan Matthes**

FT Practical

We are very pleased to share that KS3 practical lessons in food technology plan to start back in the second week after the Easter holidays. This is due to a change in the current guidance. All students will need to have their own apron that is clean and brought to every practical lesson and they also need to have a larger plastic container with their name clearly stated on it. Please be assured that all necessary guidance will be followed in lessons.

Miss Buffoni

Marie Collins Foundation online workshops

Marie Collins Foundation are pleased to announce a series of online workshops aimed at parents and carers to help them understand online harm and how they can better support their children - [a flyer is attached containing registration links.](#)

These sessions are in addition to our normal training for professionals and are aimed specifically at parents. If you are a parent and feel you would benefit, please do join.

School Games Success

During lockdown, students competed in a school games 'ultimate warrior' competition. This involved students completing a short and sharp - but intense! - fitness challenge.

The competition was open to all secondary schools across Ryedale and Whitby.

Congratulations to the following students for achieving first place in the Ryedale and Whitby Competition in their age group.

Naomi Drake - Year 7/8 Girls

Owen Jeffrey - Y7/8 Boys

Eliza Hammond - Y9/10/11 Girls

These students have earned a place in the virtual North Yorkshire County final. Well done and good luck.
