

Lady Lumley's School
Newsletter
9th July 2021 Issue Number 534

Dear Parent/Carer

We welcome the majority of Year 9 back to face-to-face learning today. Face coverings will no longer be compulsory for students in the corridors or in classrooms from Monday 12th July although students may choose to wear them. Face coverings will remain compulsory on school and public transport. Please ensure that home testing of students continues, and Lady Lumley's will continue to follow Public Health England guidance on notifying and isolating close contacts for the remainder of this school term.

To reassure parents once again – there will be no change to uniform for September 2021. We have a uniform to promote high standards, promote belonging and safeguarding and to ensure all students present in the same way regardless of background. We will review uniform over the next year and will communicate with students and parents throughout that time. There will be no 'quick change'. If there is a change to uniform, it will be managed gradually ensuring that families can replace uniform as they would normally.

I have written to Students/Parents and Carers outlining the arrangements for results days this year. Please do be in contact with the relevant staff in good time before the school closes on 23rd July 2021 with any remaining queries.

We will be taking every opportunity over the summer break to invest in improving the school site and infrastructure. Work has already started at the weekends at improving the IT cabling and switches. This will continue over the summer, which will give us the ability to access Wi-Fi over the next year. There will also be a fence erected around the school boundary to provide another layer of protection for our students and the site. Work will also be done to update and increase the number of CCTV cameras that maintain the safety of our students during the day and the site out of hours. Within the school, we will have decorators in to give some capacity to our fantastic site staff, focusing this holiday on the corridors and open spaces. This is very welcome investment for Lady Lumley's and will improve the learning environment for students and staff as we return in September 2021.

The arrangements for the return in September will be outlined next week when we have planned for the alterations as outlined in the DfE 'Schools COVID-19 operation guidance'. There is likely to be a staggered start, as there was last year, to accommodate on site lateral flow testing.

From September the school day will end at 3.00pm. For those students who access the bus towards Scarborough there is a timetable attached (Link to doc). Students who access the NYCC Education Transport will be able to check on the website for updates over the summer <http://www.northyorks.gov.uk/article/26071>. As the school day will look slightly different for different year groups to accommodate split lunchtimes, there will be a 'Timings of the School Day' poster in each classroom and in other spaces around school.

Miss Foden

Year 7 Science Club

After a flying start, the new Science Club continues to prove popular with the budding scientists of Year 7. So far this term the students have made slime, constructed a hoop glider and made boats powered by washing up liquid. The club takes place on Friday lunchtimes, starting at 12.30. Any new members wishing to come along, please see Mr Taylor in Science 2 to sign up.

Year 7 students making their washing up liquid powered boats.

Sports Leaders

Congratulations and well done to Sports Leaders **Anya Potter-Firth** and **Eliza Hammond** on winning the Ryedale and Whitby School Games 'Leadership Challenge'. This involved devising a virtual competition for students to participate in. Anya and Eliza produced a challenge based on football skills, that also incorporated a test of general knowledge. Well done girls, your prize from North Yorkshire Sport is on its way!

Year 11 Hoodies

Y11 hoodies have arrived in school to those students who selected school delivery. Please either collect from Reception yourself or email me at dbriston@ladylumleys.net to confirm who will be collecting your order.

Mrs Briston

Athletics Success

On Sunday 13th June Year 11 student **Gianluca Mastrodonardo** attended the North Yorkshire Schools Athletics Championship at The University of York and became 1500m county champion, running a very impressive time of 4min 19secs. This is an incredible achievement for a highly dedicated and respected sportsman who has consistently competed for school at every sport available. Over the last year Gianluca has decided to specialise out of school and focus more on his running. This decision has paid off and we are very proud of his achievement. Well done Luca.

DofE Expeditions

I am aware a small group of students will be self-isolating, which means that they will miss their Bronze Duke of Edinburgh Award expedition next week. Rest assured, the DofE staff team at school will offer you an alternative assessment expedition in the Autumn term. This means that you can go all the way to Gold during your time at Lady Lumley's School!

Mr Mann

Y12 Penalty Shootout

On Tuesday 29th June the Year 12 students organised a Charity Penalty shootout competition to raise money for England Footballer Marcus Rashford's FareShare U.K. charity, which helps raise money for children in need of school meals.

In a knockout phased competition the Year 12s chose a team from the Euro 2020 competition and after all the fixtures were played, there were two teams left for the final to decide the winner:

Dion Hart representing England and **Charlie Monkman** representing North Macedonia. After four penalties taken, Charlie stepped up and scored another to make it five out of five, then Dion stepped up to take his penalty to keep him in the competition but unfortunately put it straight over the bar and gifted Charlie the win.

Charlie Monkman won the competition bringing it home for North Macedonia.

We raised close to £50 and this money will supply over 250 school meals to children in need.

Dion Hart

'Report Remove' - A message from the North Yorkshire Safeguarding Children Partnership

REPORT REMOVE is a new tool to empower children and young people to stop the spread of nude images online. North Yorkshire Safeguarding Children Partnership (NYSCP) is promoting the new Childline and Internet Watch Foundation (IWF) tool which helps children and young people to report a nude image or video of themselves that has been shared online. The IWF can then take steps to remove it from the Internet. Given the recent Ofsted report and research from many other organisations, we know there are many reasons for taking/sharing and equally many barriers to reporting images and videos. It is therefore imperative that young people know that they can take action themselves and that something will be done.

Importantly, a young person can even report an image/video that hasn't been uploaded and shared. The IWF will assign a 'hash' (a digital fingerprint) to prevent the image being uploaded by anyone.

More information from the IWF can be found [HERE](#) and the Childline reporting tool, 'Report Remove', can be found [HERE](#).

Immunisations

The Childhood Immunisation service delivers routine immunisations in educational settings and will also offer catch up immunisations. The Childhood immunisation team come into school to deliver immunisations to those for whom consent has been obtained. They deliver: HPV vaccinations to **all** Year 8, Men ACWY vaccination for **all** children in Year 9, DTP vaccination for **all** children in Year 9 and MMR vaccinations for any child aged 5-19. Please complete the online form to consent:

www.hdft.nhs.uk/immsconsent

The code for Lady Lumley's school is: **121671**

Please refer any queries to the childhood immunisation team on 01423 542360 or email childhood.immunisations@hdft.nhs.uk.

Out of Hours Covid and Safeguarding Mobile Number Polite Reminder

Please can we ask you to only use the out of hours number if you need to report a positive Covid test or if you have a Safeguarding concern. If you need to speak to us about any other matter please ring the main school number or send us an email at admin@ladylumleys.net.

Covid-19 Positive Result & Safeguarding - Out of Hours
