

Dear Parent/Carer

As Year 11 and 13 students, parents and carers know, the first two weeks back after half term are dominated by 'Pre Public Exams'. These vital assessments are to give students the experience of preparing and sitting formal exams. This will inform students focus for revision and provide teachers with a clear plan for the remaining teaching time. Thank you to all our invigilators and exams team as well as our students for their hard work and high standards in the exam hall.

Enrichment continues to be very popular with all year groups attending a wide range of experiences in large numbers. Thank you to Lady Lumley's staff who give their time generously to this provision and the support from parents/carers. All our students who attend get a great deal out of the experience, enjoyment as well as skills and qualities such as teamwork, resilience, initiative and reflection.

All of us are trying to understand the distressing situation in Ukraine. Our tutors are discussing with students and there are and will be opportunities for students, staff and the community to donate to the Red Cross if they wish. You will find a support pack for parents in this Newsletter from 'The Key' which may be helpful.

As ever, please contact Pastoral Officers to share concerns.

In addition to all the opportunities in lessons and through the Enrichment offer, our students now have access to our eBook library which is a brilliant resource as mentioned in our last newsletter; with further details emailed to parents this week. Clair Foden

## Year 8 Hockey Tournament

On Thursday 3rd of March we played a hockey tournament at Whitby sixth form college. We played 5 matches altogether and there was some brilliant play by the following: **Bobbie Dixon, Brooke Southren, Callie Archer, Elsie Haynes, Lacey Shakerley, Sophie Castleton, Lily Atkinson and Maisie Metcalf.**

First of all we played Caedmon College Whitby where we lost but afterwards, we were incredibly determined and won against Malton. After that, we played Ryedale A which ended with a 0-0 draw. Fyling Hall was next and everyone showed excellent teamwork resulting in another win. Finally, we played Ryedale B.

We had a lot of fun and there was some great goals and fantastic defending and passing. As well as this, there was some impressive goalkeeping by Elsie Haynes and Brooke Southren through the matches. Everyone worked well together as a team and achieved a great overall result.

## DofE Bronze success

Congratulations to **Eddie Cook, Isaac Coote, Tom Sleight, Adam Tateson and Reece Woodmansey** for completing their Bronze Duke of Edinburgh's expedition. The students spent two days hiking in our beautiful, local countryside and were a credit to Lady Lumley's School. The students are now working towards their Silver award and are looking forward to their qualifying expedition in June. Mr Mann

## **Drama News**

### **Drama Trip to Sheffield**

Y11 and Y13 Drama students visited the Sheffield Lyceum to watch *The Curious Incident of the Dog in the Night-time*. The production tells the story of Christopher Boone, an autistic boy who is seeking to solve the mystery regarding the death of a neighbour's dog. The production uses the set, sound, lighting and projection to immerse the audience in his world where we see things from his perspective. The production has given both year groups lots to write about for the written component of their exams. Year 13 will be using the production to inform their own physical theatre work.

### **The Tempest**

If your child is in the cast, you should now have received a copy of the rehearsal schedule.

### **Logo Competition**

We need an eye-catching logo for our programmes, posters and cast hoodies. The logo needs to be a simple image that can be recreated on both fabric and paper (so not TOO intricate).

"The Tempest" is a play by William Shakespeare but has been rewritten with modern music and language. The play has a storm, magic, danger, sprites and goblins. The logo could be hand-drawn or made on a computer (but you cannot use copyrighted images). The logo needs to feature the words "The Tempest. July 2022" and be in a single colour.

The closing date is Monday 14th March (positive points for all who enter and the winner will have their design made into our cast hoodie and receive a free hoodie). Please pass your design to your Drama teacher or email it to Mrs Goodwill. Any questions, see your drama teacher.

## **PE Extra-Curricular Activities**

Brilliant attendance for extra-curricular activities in the PE department this week, over 100 students in total. 78 girls attended hockey and girls rugby practice after school on Monday, with some of those students also attending the Sports Leaders session on Thursday after school. This showcases the amazing opportunities we offer as a school and a department. Please continue to encourage attendance! Thank you to all the PE staff involved in delivering sessions. Miss Turner

## **Apprenticeships Information**

This week Sharon Maddison from NYBEP came in to present to Years 10 and 12 about apprenticeships and the wide variety available to students post-16 and post-18. Her presentation has been shared with students via ClassCharts, and you can find information aimed specifically at parents and carers about apprenticeships on the 'Amazing Apprenticeships' website: <https://amazingapprenticeships.com/parent-zone/> so you can continue these discussions and conversations at home. Mr Heeley
