

If you are deciding to join a different course than that which you applied for, please contact Mrs Allan at f.allan@ll.coastandvale.academy. Please complete the transition work for all of the courses that you will be studying in September.

GCSE results day and enrolment into sixth form

You will receive your GCSE results on the morning of **Thursday 25th August**. Once you have received your results you need to enrol for your sixth form place. This involves completing an enrolment sheet and finalising your decisions of what subjects to take in sixth form. You will be able to do so in the main hall at Lady Lumley's between **9am and 11am**, where members of staff will be on hand to discuss and help with your enrolment.

Should you be unavailable for enrolment on results day or having received your results want to reflect and take more time to finalise your subject selections, there will be an opportunity to enrol on the morning of Tuesday 6th September in the sixth form common room.

If you need to contact me on results day or Friday 26th August, I will be available both days from 9am until 1pm at a.carter@ll.coastandvale.academy

Administration

You should also find enclosed with this letter some important documents for you to read, including information about travel and financial support; as well as documents to read, complete and sign. **These must be brought to the first day of term on Tuesday 6th September.**
