

Lady Lumley's School

July 2022

Welcome to Lady Lumley's Sixth Form

Dear Student,

I am writing to confirm our arrangements for transition to Lady Lumley's Sixth Form, including transition activities, results day, enrolment, administration matters and the first day of term; Tuesday 6th September.

I hope you have managed to relax now the GCSE examination period has finished and you are enjoying the summer. It was fabulous to see so many of you at the Year 11 prom and witness how happy you were to be part of our school community. The relationships that you have with staff was great to witness!

I am excited about your start to the next phase of your academic development and the fantastic journey that you are about to embark upon as a sixth form student. The next two years will empower you, challenge you, enable you to grow as an individual and ready you for your life as an adult in Britain and beyond. Joining Lady Lumley's Sixth Form is to join a community where you will experience a purposeful, engaging, enriching environment where you will be supported and encouraged to achieve your potential. We are really looking forward to working with you!

Transition activities

The transition from GCSE to A-Level and Level 3 BTEC work is one that we want to best prepare you for. We want to help you get up-to-speed with the effort, commitment and independent nature that sixth form studies ask of you. We therefore provide you with the opportunity to demonstrate your passion for your chosen subjects by engaging with transition work over the summer. This will provide interesting, relevant and stimulating material, which will help you continue to develop your academic skills, ready for a sharp start in September.

To access your summer transition work in your selected subjects, please visit the school website at the following link: <https://www.ladylumleys.coastandvale.academy/sixth-form/year-11-transition-work/>. Click on the links for each subject that you are applying for. Make sure you read everything carefully. Documents will include a structured activity or activities that you must complete in readiness for your **first lesson in the first week of term**.

If you have any questions relating to the transition work, your teachers' emails are on the transition work instructions for each subject respectively.
