FRENCH /ART trip to PARIS 16th-19th October

Dear Parents and Carers

I hope you have had a good summer.

Thank you for all the information you have submitted for your child regarding the Paris trip so far. I am sure they will be looking forward to this experience as am I!

We will be having a meeting in the **school hall** at **18:00 on Thursday 22nd of September** for parents/ carers and students. Further information regarding travel and the itinerary will be shared and you will need to complete some important paperwork for the trip.

If for some reason you are unable to attend please let me know as soon as possible via email.

Please can you bring your child's **passport** and their **GHIC** card (or EHIC if this is still valid) to the meeting. I will collect these in and return them to you at the end of the trip.

The rules for proof of COVID vaccinations have changed in France since August, there is no longer a requirement to provide proof of vaccination or a PCR test.

I look forward to seeing you on the 22nd of September.

Many thanks
