Supporting your child's success in Year 11

Dear parents and carers,

I am delighted to announce that we will be offering the first of our series of 'Supporting Success' evenings for Year 11 students, parents and carers on **Wednesday 21st September from 6pm to 7.00pm in the school hall**. The event is the first of two this year for Year 11 to help develop a home-school partnership, the aim of which is to:

- demonstrate some of the key academic strategies you can put in place to support your child reach their full potential this year and beyond.
- communicate the latest updates on the 2023 exam series.
- outline a clear roadmap of your child's learning journey this year and the key dates and events including Pre-Public Examinations and Consultation Evenings.
- demonstrate how to get the most out of the home-school communication system *Class Charts*.
- start to consider post-16 options for your child.
- share the vast range of enrichment opportunities at Lady Lumley's.
- inform you about Study+ in Year 11.

If you would like to attend, please complete this [online registration form](#). I look forward to welcoming you to the evening and discussing how to best support your child in this crucial year of their education.

Yours sincerely

David Fairclough
Keystage 4 Leader
