

Lady Lumley's School

Newsletter

23rd September 2022

Issue Number 02

Dear Parents and Carers

Lady Lumley's have started the year with a themed assembly and tutor awards on ambition, striving to be the best we can. There have been countless opportunities for students to demonstrate this core value in lesson time and beyond. Our Tutor Read scheme, supported by Lady Lumley's Foundation Governors is under way, with all students listening to their tutors reading to them – more about that in the Newsletter. Our Year 12 have made a flying start to their A Level and BTEC with plenty of guidance on independent study. We welcome students from Pickering Town Football Academy to Year 12 on an Extended Diploma Sports award and look forward to their sporting and academic progress.

Thank you to Year 13 and Year 11 Parents who have attended our supporting success evenings over the last two weeks. We have the Year 7 'Meet the Tutor' Evening and Year 12 Supporting Success Evening next week, with the similar Year 10 evening calendared in before half term. Lady Lumley's extensive enriched curricular offer will start next week too, giving opportunity to students to add to their learning and enjoyment.

We also look forward to welcoming Year 5 and 6 pupils and their families to our Open Evening on Wednesday 5th October from 6.00pm to 7.30pm to find out as much information as possible about life at Lady Lumley's School, which will include a presentation in our main hall at 6.15pm, an opportunity to tour the school and get involved in a large variety of activities. Clair Foden

Reading at Lady Lumley's Tutor Read

This year we are starting a Tutor Read programme for all students in Years 7-10. Each year group has been allocated a different book, which will be kept in their tutor room. The students' tutor will read to them twice a week, with students following in their own copies. Over the year we will read two books. The books we have selected will raise interesting discussions as the characters they describe come from a range of backgrounds, cultures and life experiences.

In school and in life, reading is a fundamental part of learning about the world and provides us with an insight into new experiences and ideas. Reading in tutor, and having the space and time as a reading community to discuss some of the issues and experiences we encounter, will enable reading for pleasure and enjoyment as a whole school experience, as well as making real connections to their 'Life' lessons in school. Reading will help build students' 'cultural literacy', and for our students who don't read much outside of school, we hope that this will lead them to find a way of engaging more with reading for pleasure and hopefully find the right book for them.

We hope students enjoy reading these books in tutor time, and that this will lead many of them to look for similar titles or works by the same author either through our school library or online through E-Platform.

Football Match Report

The Year 9 boys football team went away to Graham school for the first round of the district cup. It was a fantastic result with the boys being able to pull out a 5-0 victory. Everyone played extremely well allowing this result, the man of the match performance coming from **Alfie Kendrew** not allowing anything to get past him in centre back. Overall everyone deserved to be man of the match as they all worked together to pull out a phenomenal performance.

Sixth Form News

Last week five of our ex-students joined the sixth form assembly to present to our current Year 12 & 13 students their experiences of life at Lady Lumley's. They all shared their hints and tips to be as successful as you can be and spoke about their chosen Post 18 pathways including universities and degree apprenticeships.

Mr Carter, Head of Sixth Form also spoke to students about the skills and attributes to be independent learners and how to get the best out of their time in the sixth form both academically and in relation to their personal development.

Students were also introduced to the new enrichment programme for the autumn term which included over 17 different activities to choose from including; football, netball, having your work published on Kindle, politics and debating, Moocs and Ted talks to name a few.

The Year 13 Supporting Success Evening on Wed 14th September was well attended where Mr Carter presented how students in Year 13 can prepare for exams, how to make the step up to being Year 13 independent learners, the expanded enrichment on offer in 2022-23 and the new Personal Development element of their curriculum. Feedback from a parent of a Year 13 student "It was wonderful to find out the opportunities available to my son and what he is already involved in... It was great to know that consideration is given for other options alternative to university as well."

16 to 19 Bursary Fund

The 16 to 19 Bursary is available to all students to provide support by the school so that financial issues are not a barrier to success.

Awards for the discretionary fund are based upon assessment of household income and you may be eligible to apply for grants towards school -related costs such as trips, visits, activities, textbooks and equipment.

To apply for this bursary please complete the application forms available from the Sixth Form Office or contact Mrs Allan for further information. Email : F.Allan@ll.coastandvale.academy

Lady Lumley's School Open Evening

For prospective Year 5 and Year 6 Students

"Being Our Best"

Wednesday 5th October 2022

6.00pm - 7.30pm

UKMT Maths Challenges

A new school year brings a fresh round of Maths Challenges, and over the next two weeks our Year 12 and 13 students will have the opportunity to sit two different challenges.

First up is the **Maths Olympiad for Girls**. This Challenge aims to encourage girls to tackle advanced mathematical problems. It is a 2-and-a-half-hour exam aimed at girls and young women across the UK and consists of five challenging problems. Here is an example of a problem from last year's paper

2. Consider a 4×4 grid numbered 1 to 16 left to right then top to bottom. Tile A or Tile B is placed onto the grid so that it covers three adjacent numbers.

1	2	3	4
5	6	7	8
9	10	11	12
13	14	15	16

A

B

- (a) If Tile A is placed onto the grid (the orientation of the tile may be changed), can the total of the **uncovered** numbers be a multiple of three? (3 marks)
- (b) In how many different ways can Tile B be placed onto the grid (the orientation of the tile may be changed) so that the sum of the **uncovered** numbers is a multiple of three? (7 marks)

The second challenge is the **Senior Maths Challenge** and is open to all students in Years 12 and 13. This is a 90-minute paper consisting of 25 increasingly challenging multiple-choice questions. Students who perform well may have the opportunity to progress onto follow on rounds. Please see below for some example questions from last year.

4. The positive integer k is a solution of the equation $(k \div 12) \div (15 \div k) = 20$.

What is the sum of the digits of k ?

A 15

B 12

C 9

D 6

E 3

25. Five line segments of length 2, 2, 2, 1 and 3 connect two corners of a square as shown in the diagram.

What is the shaded area?

A 8

B 9

C 10

D 11

E 12

Tempest

Y7, Y9 and Y11 and 12 student photographs were taken on Wednesday 21st September. Students who had their photograph taken should have received their order form in tutor this week. If your child has not received this please contact the school. Many thanks

Dates for your Diary

w/c 26th September - Y13 Pre Public Examinations
Monday 26th - Tuesday 27th September - Chilean Students in School
Monday 26th September - Drama Theatre Trip - My Voice Was Heard But I Was Ignored, Malton
Tuesday 27th September - Y7 Meet the Tutor Evening, 4.30 - 6.30pm
Wednesday 28th September - Y12/13 Maths Olympiad for Girls
Wednesday 28th September - Y12 Welcome to KS5/Supporting Success Evening, 6 - 7pm
Friday 30th September - Y10 NYBEP Event - What's Stopping You
Monday 3rd October - Y9/10 Music Therapy trip, Charity Hub
Tuesday 4th October - Y12/13 Senior Maths Challenge
Tuesday 4th October - Y10 Welcome to KS4 Evening, 6 - 7pm
Wednesday 5th - Friday 7th October - Y13 Geography Fieldwork, Blencathra
Wednesday 5th October - Y12/13 National Apprenticeship Show, Harrogate
Wednesday 5th October - Y5/6 Open Evening, 6 - 7.30pm
w/c 10th October - Y11 Geography Rivers Fieldwork
Tuesday 11th October - Y8 Science and Engineering Trip
Thursday 13th October - Y11 Sixth Form Experience Day (LLS Students)
Friday 14th October - Staff Training Day, School Closed to all Students
Sunday 16th - Wednesday 19th October - KS4/5 French and Art Trip, Paris
Tuesday 18th October - Y9 Invisible Man Production, YOLO
Thursday 20th October - Y11 Parent/Student Consultation Evening
Friday 21st October - Y10-13 Drama Fear in the Forest Rehearsal, Dalby Forest, 9.30am - 2.45pm
Friday 21st October - Break up for Half Term

Lady Lumley's School Staff Training Days 2022-23

Friday 14th October 2022
Friday 30th June 2023
Monday 24th July 2023
Tuesday 25th July 2023
