Your child must have an EHIC card or a GHIC card – please follow the link below.

EHIC: Current European Health Insurance Cards (EHIC) are valid as long as they are in date. When your EHIC has expired you need to apply for a new Global Health Insurance Card (GHIC).

The new GHIC card is free to obtain from the official website and should be applied for at least 4 weeks before travel: <https://www.nhs.uk/using-the-nhs/healthcare-abroad/apply-for-a-free-uk-global-health-insurance-card-ghic/>

Both cards will offer equivalent protection for emergency and medically necessary healthcare needs when in the EU on holiday.

NST is our travel company, and they require the full cost of the trip to be paid on December 20th.

To enable this to happen, the payment plan is as follows:

Further payments should be made via ParentPay as follows:

31 October - £100

30 November - £100

16 December - £50

You are, of course, welcome to pay the full amount at any point before the final date.

If you have applied for help with funding this will be paid directly to the school. I will let you know when we have been told how much can be allocated.

If there are any questions, concerns, or worries, please feel free to contact me by email:
