

Lady Lumley's School

# Newsletter

19th May 2023

Issue Number 16

Dear families,

We welcomed the Mayor of the Pitcairn Islands, Simon Young to Lady Lumley's School today. Mayor Young spoke to our Sixth Form about the unique experience he has governing an island and enjoyed revisiting Lady Lumley's School. Mayor Young has a 2-week journey ahead of him and we all wish him well.

Year 11 and Year 13 are now in the midst of the examination series. With GCSE Breakfast Booster sessions starting at 8.15 we recognise the commitment and effort of families and our teaching staff in investing all their energies in preparation.

Mrs Wellburn-Kelly has taken assemblies this week, showcasing Lady Lumley's musicians and the importance of music for all. There have been many extra curricular opportunities for students from Sports Leaders to Drama rehearsals - plenty of activities to compliment the classroom.

Clair Foden, Headteacher

## Maths Challenge News

Before Easter **Harry Monkman** in year 11 sat the Maclaurin Olympiad, this was a two-hour paper made up of 6 problem solving questions. The results seemed to take a long-time to come through, but a couple of weeks ago we got the amazing news that he had scored a merit. Well done, **Harry**.

Just after the Easter Holidays almost 60 Year 7 and 8 students sat the hour-long Junior Maths Challenge online. Earlier this week we were able to share the results with them, with a very high proportion of the students being awarded Bronze, Silver, and Gold Certificates.

In Year 7 **Tymon Zmudzki** was awarded the Gold Certificate in addition to Best in Year. In year 8 **Nikita Grayson, Leo Bamfield and Cherry Askoolum Wroe** were all awarded a Gold Certificates with **Nikita Grayson** also awarded Best in School with an outstanding score of 117.

The bar was set high to qualify for the next round; **Nikita Grayson's** score not only qualified her for the next round of the competition, but she has been offered an invitation to take part in the Junior Maths Olympiad which is only open to the top 1200 students nationwide. This two-hour paper consists of 16 problem solving questions and I look forward to sharing news of her success with you before the summer holidays.

That wraps up the UKMT Maths Challenges for this academic year, but I hope to see even more students participating next year.

Year	Bronze Certificate	Silver Certificate	Gold Certificate
7	Jackson Boyle Imogen Brown Brendan Cannings Meghan Colman Isabella Harper Monty Kettlewell Alfred Marrington Thomas Stanworth Heidi Suggitt Caleb Sutcliffe	Cayden Holberry Harris Little Josh Little Oliwier Malinowski Sam Simpson Josh Trousdale	Tymon Zmudzki (Best in Year)
8	Kit Blundell Rhys Dodd George Duncie Peter Goodwin Caitlin Harper Ellie Holtby Verity Roffe Imogen Stone Alina Tretiak Eddie Wilson	Ezra Bateman Arlo Brown Charlie Collings Earl Fleming Ashton Jones Charlotte Pool	Cherry Askoolum-Wroe Leo Bamfield Nikita Grayson (Best in School)

## Careers Updates

### Careers Appointments

This half term, Year 10 have begun their careers appointments with our dedicated careers advisor, Anna Lowe. Following each appointment, students receive a personalised copy of what was discussed and where to look for further guidance. By the end of Year 11, all students will have had at least one appointment with Mrs Lowe.

### Careers in Life lessons

Students in Years 7 and 9 have been exploring their skill sets, how their personality traits lead into employability skills as well as looking at what employers expect from them as employees and what they can expect from employers in return.

### Careers Fairs

So far this year, Years 8, 11 and 12 have attended various careers fairs: Year 8 attended Scarborough Science and Engineering Week back in October, Year 11 attended Opportunity Knocks here at Lady Lumley's in March and Year 12 attended the National Apprenticeship Show in Harrogate in October.

To supplement these, Life lessons have also looked at employability skills, students have had the opportunity to research potential career paths and the qualifications available to them at different stages. Next month, Years 10 and 12 will be able to meet and engage with a range of employers at our upcoming Careers Fair (June 22<sup>nd</sup>). We currently have the following confirmed: RAF, Army, the NHS, Smailes Goldie, Wilf Warm Family Trust, York College and Derwent Training, among others. This will be a great chance for students to liaise with local and regional employers and providers to explore the breadth of opportunities out there.

### Apprenticeship Opportunities

Information regarding apprenticeships are regularly shared via ClassCharts, so do make sure that you check these out.

## Year 12 - Bridge Painting

Our Year 12 students have been helping out in the local community with Pickering CIC – painting the bridge railings at Ropery Bridge in Pickering.

This is part of a larger project that Lady Lumley's students are hoping to volunteer with – working together as one community!

## Health & Safety

Can parents please remember to make sure that students:

Make sure that inhalers are in date;

Make sure that students are taking their brown and purple inhaler as instructed;  
bring in their inhalers to school; and

In preparation for the warm weather can parents send students in with a water bottle.

Thanks Mr Ahmed

## Dates for your Diary

### **w/c Monday 22nd May - External Exams Continue**

w/c Monday 22nd May - Y6 Transition Visits to Primary Schools

Tuesday 23rd May - Partnership Track & Field Athletics, Malton School 3pm

Thursday 25th May - U12 Partnership Rounders, LLS 3pm

### **Friday 26th May - School Closes for Half Term**

### **Monday 5th June - Students Return to School**

### **w/c Monday 5th June - External Exams Continue**

### **w/c Monday 5th June - Y12 PPE Week**

### **w/c Monday 5th June - Y9 PPE Week**

Tuesday 6th June - U15 District Rounders, Norton College 1.30pm

Wednesday 7th June - Y10 District 6-Aside Tournament, Scarborough College 9am

### **Wednesday 7th June - Y10 Supporting Success Evening, LLS 6-7pm**
