

Dear Families

Welcome and welcome back to all families of Lady Lumley's School. I hope your summer holidays were enjoyable and all feel refreshed for the return to school. Lady Lumley's students had two fabulous results days over the holidays.

Our A Level students have excelled, bucking the national trend for A*-B grades and getting those all-important thresholds for University or Apprenticeship. We look forward to hearing about their next steps and sharing their experience with our current students – what fabulous role models!

On GCSE results day our outgoing Year 11 collected some tremendous results, again bucking the national trend for 7-9 grades and the all important '5 at 4 and above'. All our colleagues who came in on results day shared in students and families delight at goals achieved and doors open for sixth form.

Mr Carter, Assistant Head of Sixth Form has had a very busy week welcoming and registering an increased and still growing Year 12. Our new Year 7 joined us on Tuesday, helping summer nerves turn into excitement at all the opportunities and challenges that Lady Lumley's offers.

We also welcome new colleagues to Lady Lumley's School:

- Ryan Downes - Teacher of History with PD
- Jonathan Elsey - Teaching Assistant
- Rebecca Lindsay - Teacher of PE
- Caitlin Mackinder - Teacher of English
- Ruth Marley - Teacher of Art
- Daniel Turnes - Teacher of Computing

Given the national recruitment crisis facing education we are delighted to welcome great colleagues to Lady Lumley's to continue the work of delivering an excellent education.

Thank you to all families who have ensured that students start the year in the correct uniform and well equipped. As ever, if there are any barriers to upholding the uniform policy, please do contact your Pastoral Officer to discuss. The contact details for Pastoral Officers are on the website and detailed here; they are the first point of contact for any concern or question.

September News from the Library

Greetings and welcome back! I hope you all enjoyed the summer break and managed to get in a good bit of reading, especially as the weather wasn't particularly summery! I added a few more titles to my Goodreads list for 2023 and even brought back some books to add to our collection.

It is wonderful to see all those new faces as our Year 7 students begin their adventure in secondary school. I've already met some keen readers and eager library volunteers and I'm really looking forward to helping them continue their reading journeys.

We are off to an exciting start this term, with Years 7 and 8 being given the opportunity to choose a book to take home, thanks to the generosity of the Lady Lumley's foundation and the charity Book Trust. I've already introduced the programme to one group of Year 8 students and plan to have all the other classes on board over the next couple of weeks. You can find out more if you visit the Book Trust website – follow this [Book Buzz](#) link.

Also in September, some Year 9 students will be lucky enough to enjoy a visit from local science fiction author, Rex Burke. Watch this space for more information and check out the [author's website](#) to find out more about his books.

As always, get in touch if you have any questions about the library programme, or need help with book suggestions for your student (or yourself!). I'll be in the library on Tuesday, Wednesday and Friday each week and when I'm not there, I'm usually thinking about how I can make the space more engaging for our children.

Best wishes and happy reading!
Ms Donna Rueth

Paris Trip

Dear Parents / Carers and Students

On Tuesday 26th September there will be an information session for parents / carers and students regarding our visit to Paris in October.

The meeting will take place in the school hall at 18:00.

During the meeting I will discuss the itinerary for our visit as well as other important information to make this visit as positive as possible for our students.

You will need to bring your child's passport and GHIC card to the meeting.

If you have not yet applied for a GHIC card this is a quick process and there is no cost, but parents need to apply on behalf of their child. The card is usually sent out within a week.

Below is the link to apply for a GHIC card.

Many thanks and I am looking forward to seeing you on the 26th

ClassCharts - Y7 Parents/Carers

Due to our recent change of our internal management information system over the summer holidays there will be a small delay in providing your parent log-in for your child's classcharts account. All Y7 students have been given their own log in details to be able to access classcharts. Many thanks for your patience.

Year 11 Supporting Success

Dear parents and carers,

I am delighted to announce that we will be offering the first of our series of 'Supporting Success' evenings for Year 11 students, parents, and carers on Wednesday 13th September from 6pm to 7.00pm in the 6th Form Common Room. This is the first of three workshops this year. The focus of this session will be:

A study workshop with strategies to support children in the build-up to the first pre-public examinations in 6 weeks' time and then beyond to their GCSEs.

A talk on the Year 11 timeline, the rationale and how to make the most of every opportunity in Year 11.

Using the online Unifrog resource with your child to plan for Post 16 and Post 18 choices.

An introduction to our tutor read programme.

If you would like to attend, please complete this online registration form. I look forward to welcoming you to the evening.

Yours sincerely

David Fairclough
