Supporting Success Evening- Wednesday 29th November

Dear Parents and Carers,

We would like to invite you to our Year 8 Supporting Success Evening on Wednesday 29th October 6pm-7pm. The evening will take place in the school hall. We would ask that you park in the front car park and enter through the link corridor to the hall.

The evening will provide an opportunity for you to gain a greater understanding of how students are supported in school. There will be a focus on the preparation for the Year 8 PPE (Pre-Public Examination) which will include some guidance on revision techniques and advice on how to support students at home. The PPE will be completed in lessons after the Christmas holidays. We want to ensure that students are thoroughly prepared and have time to plan their revision.

Ms Gilbert will also be discussing the importance of self-care and signposting support for students and their families. By establishing successful routines in Key Stage 3 students will be more prepared for the demands of their GCSE studies.

Mr Heeley will also be attending the evening to speak to parents about the LIFE curriculum, discussing the topics covered in Year 8. Mrs Steele will also be discussing assessment in Key Stage 3.

Mrs Thompson

Leader of Key Stage 3
