Year 12 Parents Consultation Evening – Thursday 25th January 4-7pm

Dear Parent / Carer,

Thursday 25th January is the Year 12 Parents Consultation Evening. This is an online event that requires you to book 10-minute consultation slots with each of your child's teachers. You can book appointments using the following link from Monday 15th January at 6pm:
<https://ladylumleys.schoolcloud.co.uk/>

I have attached a parents' guide to how to use School Cloud to book virtual appointments with your child's teachers below:
<https://support.parentseveningsystem.co.uk/article/801-video-parents-how-to-attend-appointments-over-video-call>

The evening's purpose is for you to discuss your child's progress at this stage of Year 12, what aspects of current practice are working well, areas of practice to improve and gain a deeper understanding of the journey between now and final exams next summer, 2025. It is a consultative experience and will hopefully provide you with a chance to further support your child's education.

Home learning, in-class performance and attitude, developing skills within each subject that are required for success and anything else relevant to the progress and development of your child can be discussed during the consultation.

I hope you can join your child's subject teachers that evening and find it a beneficial experience.

Yours sincerely,

Mr Carter
Assistant Headteacher
Head of Sixth Form
