

Lady Lumley's School

Newsletter

2nd February 2024

Issue Number 10

Dear families,

Like a lot of the country, our staff and pupils are struggling with illness. If your child is absent from school, please ensure you phone in and report that absence. We do phone every family where there is a child unaccounted for, but this is very time consuming. Thank you for your support with this.

Mr Mann took Year 9 to Peat Rigg last week as part of their 'Futures' curriculum. Mr Mann and the team of staff that accompanied him had a fantastic week and were rightly proud of Year 9s achievement. Thank you to all the Year 9 families who emailed Mr Mann to thank him for all the time and effort he put into organising and leading the visit.

Year 11 are concluding two weeks of PPEs, their final full experience of GCSE exams before the 'real ones' in the summer. Again, Mr Fairclough is using all the information from these exams, with teaching colleagues to build up to the summer. Mr Carter held the Year 13 Supporting Success Evening this week, supported by Coventry University who focused on financing a degree.

Author visits, maths challenges and Duke of Edinburgh all in the mix - Lady Lumley's has a busy run into half term on Friday 9th February.

Clair Foden

Headteacher
Lady Lumley's School

Drama News

The Year 10 Drama class went to see The Woman in Black this week. They really enjoyed it, despite the jumpscare! As Jack said, 'I'm not going to sleep tonight! Thanks Miss.'

GCSE Drama students will see 3 productions each year to inform their own practical work but also to begin practising the live theatre review question on the written exam paper.

Matilda rehearsals are going well. Look out for a new rehearsal schedule which will be issued next week. There will also be the chance for cast and crew to buy a production hoodie.

Student Success

On Sunday 28th January, Year 12 pupils Tilly G and Ella S represented Lady Lumley's at the National Schools Equine Association (NSEA) Yorkshire, Durham and Northumberland Show Jumping Finals as individual riders.

Both girls, and horses did brilliantly finishing 10 and 11 (Tilly) and 21 and 21 (Ella) in two very large and competitive classes with competitors from schools across the North of England.

Report written by Tilly G & Ella S

Year 9 Immunisations for Tetanus, Diphtheria and Polio (Td/iPV) and Meningitis ACWY (Men ACWY).

Helping to protect your child against meningococcal disease and septicaemia

The meningococcal ACWY (Men ACWY) vaccine is available for all pupils in school year 9.

The Men ACWY vaccination helps to protect your child against four types of meningococcal bacteria (groups A, C, W and Y). These can cause meningitis (inflammation of the lining of the brain) and septicaemia (blood poisoning). These diseases are very serious and can kill, especially if not diagnosed early. Cases of meningococcal W disease ("Men W") in England have increased significantly in recent years, and it is in response to this rise in cases that this vaccine was introduced.

Helping to protect your child against diphtheria, tetanus and polio

The Td/iPV booster vaccine helps protect your child against diphtheria, tetanus and polio. Diphtheria is a serious disease that can damage the heart and nervous system, and in severe cases, it can kill. Tetanus is a painful disease affecting the nervous system which can lead to muscle spasms, breathing problems and can kill. Polio is a virus that attacks the nervous system which can cause permanent paralysis of muscles. If it affects the chest muscles or the brain, polio can kill.

To give consent for your child to have these vaccines, please click here:

<https://yny.schoolvaccination.uk/dtp/2023/northyorkshire>

Even if you do not wish for your child to have the vaccines, please complete the online form so that we can record your wishes.

Lady Lumley's Social Media Platforms

We are sharing information about school activities on our social media platforms. So far, we have focused on X as there is a large following on there, but we are now moving to add more content to Instagram and Facebook. There is information on key dates, recent educational visits and other activities that may be of interest to you. Please take a look and 'follow' us if you don't already. Any suggestions for information or activities you would like to see on our social media platforms is welcome, please email communication@ll.coastandvale.academy and we will review the feedback.

Message from North Yorkshire Council –

Cost of Living Support

If you're struggling to pay for food and other essentials, there are local schemes and organisations in North Yorkshire which may be able to help or point you in the right direction. You'll find information about emergency financial support, managing debt, benefit entitlement, energy bills and staying connected all in one place at www.northyorks.gov.uk/costofliving

North Yorkshire Council's cost of living web page also has information about pension credit, schemes to help families and local community-based support including Warm Welcome spaces as well as advice on staying safe and well.

We have funding available through our Health Through Warmth Project to help vulnerable residents with the cost of gas repairs and servicing. This funding must be allocated by the end of February as the scheme finishes end of March.

The funding is available to Homeowners who meet certain income thresholds and have a relevant health condition, as shown below.

Anyone who needs a gas repair/boiler service etc and believes they meet the relevant criteria can apply to Choices4Energy.sca@northyorks.gov.uk.

| ITEM | CRITERIA |
|---|--|
| Tenure | Owner Occupiers only |
| Funding | <ul style="list-style-type: none"> • Works up to £350 can be funded 100% • Works over £350 receive contribution towards cost, client contribution needed |
| Type of work – Repairs and replacement of: | <ul style="list-style-type: none"> • Boilers • Central heating systems • Gas fires • Hot water tanks • Gas cookers • |
| Household income thresholds | <ul style="list-style-type: none"> • <£31k net income – household inc child < 5 or pregnant • <£25k net income – household inc child <16 or adult >60 years • <£20k net income – single occupant • |
| Eligible Health Conditions: | <ul style="list-style-type: none"> • Respiratory diseases such as COPD, emphysema, chronic bronchitis, and severe asthma • Cardiovascular diseases such as heart disease and stroke; • Diabetes types 1 and 2; • Arthritis; • Reduced mobility; • Cancer; • Terminal illnesses; • Mental illnesses such as depression, schizophrenia and bipolar disorder; • Severe head injuries resulting in disability • Psoriasis. |
