Issue Number 11

Dear Families,

Welcome back from half term to all our families. Mr Mann and his band of supporters have put the Bronze and Silver Duke of Edinburgh through their paces, through wind and rain. Well done to all participants. Mrs Allen ran a brilliant Year 6 Induction Session in the Library on Thursday - it was lovely to see our 2024/5 Year 7 making friends before they join us. Year 11 have completed their PPE and are taking advantage of before and after school support in preparation for their GCSE examination series. The Food Technology students have been taking their practical examination this week with some amazing three course menus. Mr Martin has a well drilled cohort of chefs.

Clair Foden
Headteacher

Maths Challenge News

As you may have seen recently on our Social Media page on Wednesday 31st of January over 30 Year 9, and 10 students sat the Intermediate Maths Challenge. This hour-long paper consists of 25 increasingly difficult problems. The questions are multiple choice; however, students can accrue negative marks if they are incorrect so careful consideration must be given to each question.

Over half term we were extremely happy to receive the outstanding results. A Special mention goes to Joshua A in Year 9, for receiving the Gold Certificate, the Best in School award, and qualifying for the next round, the Pink Kangaroo. Special mentions also go to Sarah Land Tristan B, both in Year 10 for their Silver Certificates. Sarah was also awarded Best in Year, beating Tristan by just one point.

Huge Congratulations to all that took part.

Next up is the Junior Maths Challenge which takes place in April, we will soon be looking to recruit 50 of our top mathematicians from Year 7 and Year 8 students to take part. If you are in these year groups and you are interested in taking part, please see your maths teacher for more information.

Bronze Certificates: Year 9 students: Rhys D, Peter G, Oliver P and Eddie W and Year 10 students: Ruby H, Joey K, Connor M, and Wilson M.

Silver Certificates: Year 10 students: Tristan B and Sarah L (Best in Year)

Gold Certificate: Year 9 student: Joshua A (Best in School)

Outdoor Education Update

Since the start of 2024 lots of outdoor education has been happening. From the Year 9 leadership and futures residential to the DofE programme, students have been developing their leadership in the great outdoors. In January 105 students from Year 9 took part in our first leadership and futures residential. The trip began with a challenging 10km walk through mud and ice to our destination, Peat Rigg Outdoor Centre in Cropton Forest. Throughout the 3 days our students took part in lots of exciting outdoor activities, designed to develop their leadership skills. From canoeing on a semi frozen lake to completing challenging team activities, it was excellent to see our students rise to the challenge. Fueled by plenty of hearty food, the students walked home on day 3, exhausted, but ready for their next adventure! Year 9 students are now looking forward to starting the Bronze DofE at the end of year 9. For more information on DofE, please visit www.edofe.org

Pictured above: The Year 9 Peat Rigg students

Just before half-term, over 50 of our motivated and resilient Year 10 students headed up into the North York Moors to complete their Bronze DofE practice expedition. Starting at Thornton Dale, students navigated up to the high plateau of Dalby Forest, encountering driving snow and heavy winds. Supported by staff, they developed their navigational skills and gained respect for the natural environment. Students spent the night at Birch Hall scout camp, cooking their own meals before heading walking back home the following day. Well done to all involved and we hope that your June qualifying expedition will be a little bit warmer!

Going for Gold

I am really delighted to let you all know that we have a bumper crop of current and former 6th form students gaining their Gold DofE this year at a special award ceremony at Buckingham Palace in May. The students took part in the DofE Gold award as a part of their 6th form enrichment programme and completed a vast array of activities in preparation. The highlight for many was completing a gruelling 4-day canoeing expedition on the River Wye, navigating independently from Wales into England. We are incredibly excited for the students and their ceremony at Buckingham Palace! The students are:

Skye G
Alice G
Beth H
Abbie H
Stephanie H
Evie L
Toby M
Andrew P
Megan R
Alex V
Meri W

Teenage Immunisation to protect against Tetanus, Diphtheria, Polio (TD/IPV) and Meningitis ACWY and Meningococcal Septicaemia

Vaccination UK

Public Health England advise all eligible students receive their Meningitis ACWY and DTP vaccinations in Year G. These vaccinations complete your child's national immunisation schedule that started with their baby vaccinations.

These vaccinations are free and help to protect your child from potentially serious diseases.

High vaccination rates also help to reduce the rates of disease in the wider community.

We encourage you to opt in.

Keep a record of immunisations your child receives as some further education establishments and some employers require this information.

Please complete the electronic consent form link below:

<https://yny.schoolvaccination.uk/dtp/2023/northyorkshire>

If you do not want your child to be immunised, please could you let us know by completing a 'no consent' form using the same e-link above.

North Yorkshire School Immunisation Team

*We are committed to **safeguarding** and protecting the children and young people we work with and expect all our staff and volunteers to share this commitment. As such, all posts are subject to safer recruitment process, including an enhanced DBS check. We have a range of policies in place which promote safeguarding and safer working practice across our schools.*

Redeem your vouchers for free holiday activities and food this Easter

We have issued vouchers to all families whose children/young people are eligible for free places on FEAST activities this Easter. You should have received this via email or text, from a platform called Holiday Activities. Follow the link in this email/text to redeem your voucher and book your child's place on some of the fantastic activities on offer in our area.

If you believe your child is eligible and you have not yet received your voucher, or you have lost it, please contact the school office.

To learn more about FEAST, and for information on activities, eligibility and how to manage your bookings, [visit the website](#).

feast

Lost Property

The Pastoral Team have a huge amount of un-named lost property. If you know that your child is missing any uniform items, please do encourage them to see the KS3 Pastoral Team before the end of next week. We do not have the capacity to hold such a large volume of items. Any remaining lost items will be donated to the local charity shops.

Where items are named, we do return to the students.

Many thanks for your support.
