

Lady Lumley's School

being our best

Dear Year 11 and Families

The Year 11 students received their PPE results in assembly today, please find their results attached. These results are a vital reflection and planning point for students, teachers, and home in the buildup to the GCSE exams in May. Parents and carers will receive the final full progress report in the week before Easter as well.

I would like to thank Families in advance for all the support that you give your child and the school in this final lead up to the GCSE exams. Please note that students must remain in school full-time until Friday 14th June. They must also be available to come into school up until the national formal contingency day on 26th June. The Prom will take place on Friday 28th June – more details to follow on this.

A reminder of the **Supporting Success Evening, Build Up to GCSES: Subject Revision Workshops Wednesday 13th March**. [Please register for the event here](#). Subject specialists for the core subjects will run workshops designed to help you support your child's final preparations for the GCSE exams. Attendees will receive an exam preparation goody bag, a raffle ticket for free leavers hoodies and £5 off the Prom ticket.

Kind regards
David Fairclough
Keystage 4 Leader

As previously advertised, please see the additional information below:

- the 'count up' to the GCSE examination, with the key whole-school events.
- the GCSE timetable with draft support sessions.
- the revised StudyPlus timetable
