Issue Number 14

Dear families,

This week the written exam series has begun for Year 11 and Year 13. Our Year 11 have already tackled Art and MFL speaking and yesterday some had their BTEC IT examination. Year 13 have their Art next week and some have sat their BTEC Sport. With breakfast boosters, study plus, exam builders Lady Lumley's are doing all we can to support our students. There will inevitably be disruption to assemblies and other learning activities as our resource goes to where it is most needed.

The Year 10 Geographers spent the day at Hornsea this week for fieldwork, Mrs Pye secured wall to wall sunshine and was proud of our students conduct and attitude. Year 9 and 10 were treated to a 'fashion show' this week - brilliant to see so many students involved. Mrs Steadman's energy and enthusiasm carried a serious recycling message in an entertaining way. Not often do we see Mr Fairclough in a toga! Great participation from Ms Wilson, Mr Ahmed and Mr Carter - but the stars of the show were our students, participants and audience!

There is so much to get involved in at Lady Lumley's School - we need every student here every day. Please check attendance on MCAS - if it isn't 95% + you are missing out.

War on Waste Catwalk

This week Lady Lumley's took part in Pickering's third annual earth day event, the theme 'war on waste'. After months of hard work, sorting out lost property and making costumes out of pre-loved lost property or recycled materials the day came to show it all off. What a cat walk it was, all the students and staff looked amazing. We wanted to show that pre-loved clothes look just as good as new, with a few bold outfits too made by Year 10 students.

A MASSIVE thank you to all the staff and students who took part but also everyone who worked behind the scenes to make this happen. Volunteering their time on a Tuesday after school for the past two months, without you this would not have happened.

Pictured - Callum and Harry as The Chef and his pan inspired by an apron found in lost property and Ms Gilbert, Jackson and Teddy as Flower power and the bodyguards. A jacket made out of a coat from a give and take event, flowers from a dress, roses cut from trousers and a missing giant flower off one of the lampposts in town from the Pixie day launch. Remember reduce, reuse, recycle!

School Uniform

A reminder about the uniform policy regarding skirt length.

Please ensure your child's skirt is knee-length or just above the knee, and not rolled up. This is to maintain a professional and appropriate school appearance. We welcome your support in speaking to your child about skirt length or providing a skirt that meets school expectations. This will prevent your child being challenged or consequence.

Full details of our uniform policy can be found on the School Website.

Drama News

Theatre Visits

We had two theatre visits just before the holiday. GCSE Drama students in year 10 and 11 went to the Theatre Royal in York to see 'North by North by West', an adaptation of the Alfred Hitchcock film. The play was cleverly staged with singing, dancing and lots of humour. We also took 37 year 8 students to see Blood Brothers at the Grand Opera House; we had studied this text in class and students really enjoyed the characters they had played on the professional stage, one student said, "I thought that Blood Brothers was a very exciting experience filled with drama. It can be rather serious at times and rather comical at others. Amazing acting, loads of singing, it was great and I would definitely go and see it again". More theatre visits are planned for next year. Watch this space!

A Midsummer Night's Dream

The play is blocked and lines are learnt (mainly!) Our set is being built and costumes are being made. Students are working really hard to get the show ready for Thursday 19th June. Please check MCAS for the updated rehearsal schedule. A reminder about our weekend rehearsal on Sunday 8th June, 10.00am – 3.00pm. All students must be off script by Thursday 8th May; no scripts will be permitted on stage.

Year 7 Leadership Award

Here are some pictures of our wonderful Year 7s taking part in a Leadership Award class with Mrs Goodwill. They had to work together to plan and create an activity and present this to another group of students. They had such a fun time doing something a little different and working together as a team. Well done class!

Year 10 Geography Trip

Our Year 10 Geography students recently enjoyed a successful fieldwork trip to Hornsea as part of their GCSE studies. The focus of the day was to investigate two key enquiry questions: “Are groynes effective in Hornsea?” and “Do housing inequalities in Hornsea exist?” Students collected a range of quantitative data, including measuring sediment build-up on either side of groynes to assess coastal defence effectiveness. They also conducted bi-polar surveys on housing quality across different areas of the town, exploring evidence of social and economic disparities.

The students approached the tasks with great enthusiasm and maturity, working collaboratively and showing real curiosity about the world around them. They were a credit to the school, demonstrating excellent fieldwork and data collection skills. To round off the day, everyone enjoyed a well-earned ice-cream by the sea—well deserved after a productive day of hands-on learning!

Futures Fair

On Tuesday, Students in Years 9 and 10 attended our Futures Fair which had a focus on post-16 choices. Students were able to interact with a range of post-16 providers: Lady Lumley's Sixth Form, Scarborough Sixth Form, Scarborough TEC, Askham Bryan College, York College, Bishop Burton, CU Scarborough, York St John University, Derwent Training, the NHS, Greencore, Anglo-American and Flamingo Land.

Feedback from employers and providers was incredibly positive and they were particularly impressed by our students' engagement. Students will continue these conversations in their Futures (Year 9) and Life (Year 10) lessons.

Lady Lumley's 6th Form

Year 13 Psychology Workshop

Year 13 Psychology students attended a workshop held by Karen Duffy who is a Psychology lecturer at Manchester University and an AQA examiner. She was able to give the students some great advice and tips for their upcoming exam. Students were given lots of examples on how to answer questions and what the examiners are looking for.

Careers Event

On Tuesday Year 12 students at Lady Lumley's took a major step toward their futures at the annual Careers Event, a dynamic and engaging day designed to provide practical insight into life after school. Held in the school hall and surrounding classrooms, the event brought together local employers, universities, apprenticeships providers, and career advisors for a full day of exploration, inspiration, and preparation.

Year 13 Prom Tickets

A reminder prom tickets are now on sale; you will find this on the MCAS products section on the app. The ticket is £33 per person. This includes a 2-course meal and a DJ. The prom will be held on Wednesday 25th June at The Old Lodge, Malton. Please contact Miss Hugill if you have any questions.

London Marathon

On Sunday 27th April Sarah, one of our sixth form students, completed the London Marathon. Sarah was raising money for the teenage cancer trust, she has raised over £1,500 and donations are still coming in. Sarah told Miss Hugill that it was incredibly hot and very hard physically, but the crowds kept her going. A huge well done to Sarah and we are incredibly proud of her!

Road Safety

As part of our ongoing commitment to student wellbeing, a road safety awareness session was delivered to our sixth form students this week. The session aimed to educate young adults—many of whom are new or soon-to-be drivers—on the importance of making safe decisions on and around roads.

Led by a local road safety officer, the session covered key topics including the dangers of distracted driving, the impact of alcohol and drug use behind the wheel, the importance of seatbelt use, and safe pedestrian behavior. Real-life case studies and short video clips were used to highlight the serious consequences of unsafe road practices.

YOUNG CARERS

A young carer is someone who helps look after a family member who might be ill, disabled, or need extra support. They often have responsibilities of someone much older than them. But it's important for young carers to ask for help when they need it. **Being a young carer can mean:**

Cleaning
the house
to keep it
tidy and
safe

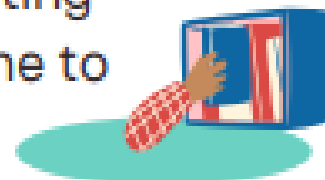

Taking care
of younger
siblings

Reading letters
or mail and
helping with
forms

Supporting
someone to
attend
appointments or
keep track of
their medication

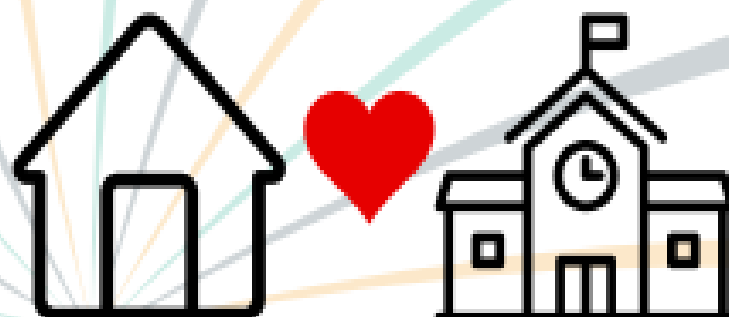

YOUNG CARERS - EVERYDAY HEROES!

**DID YOU KNOW? SOME KIDS ARE SUPERHEROES AT
HOME BEHIND THE SCENES – THEY'RE CALLED
YOUNG CARERS!**

Young carers help care
for someone in their
family because of
illness, disability or
addiction. These kids
are strong, kind and
brave!

But even superheroes
need help sometimes. If
you're a young carer, let
your teacher know.
They can help!

**Talk to your teacher if you're a young carer.
You are not alone!**

IDENTIFYING AND SUPPORTING YOUNG CARERS IN SCHOOL

Who Are Young Carers?

Young carers are students who provide care for a family member due to illness, disability, mental health challenges, or addiction. They take on responsibilities that may impact their education and wellbeing.

Signs to Look For

- Tiredness or lack of concentration
- Frequent lateness or absences
- Appearing stressed, withdrawn, or anxious
- Difficulty keeping up with schoolwork

How to support young carers

- Build trust to make them feel safe when sharing their situation.
- Adjust homework deadlines or attendance policies when needed.
- Refer them to school counsellors or external support services.
