

Lady Lumley's School

Newsletter

6th June 2025

Issue Number 16

Dear families,

Welcome back to the final half term of the year! We left year 11 with an ice cream reward for their first half of the exam series and are now well into the second half. Year 10 are ready to fill some very big boots outgoing year 11 boots and are preparing for their PPEs to benchmark for Year 11. Great role models for all to see in Year 13 tackling their A Level examinations.

Lots of fabulous enrichment - Dalby forest, Normandy prep, Proud Thursday, production rehearsals and lots more!

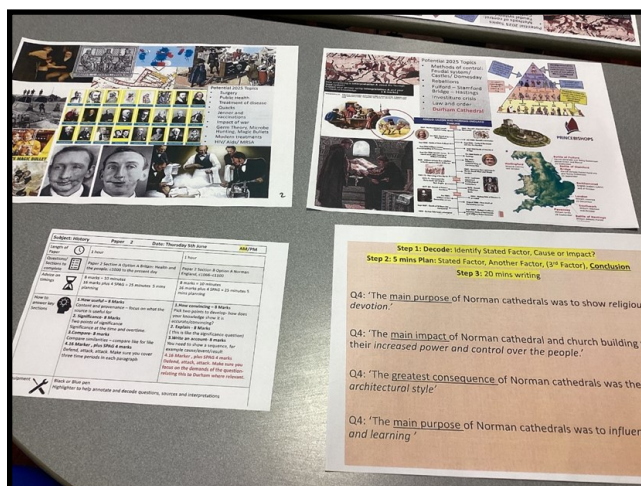

Clair Foden
Headteacher
Lady Lumley's School

Well Done to Year 11

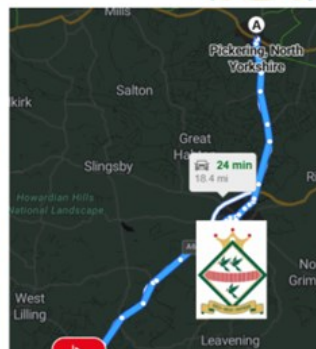

Year 11 continue to tackle their GCSE exams armed with bags of knowledge, exam technique resilience and energy. They will be looking forward to their end of exam celebrations and their Prom, details below.

In the meantime, here is an example of the 'Breakfast Sessions' that Year 11 which warm up students up before exams 8am – 8.45am.

Mr. Fairclough - KS4 Leader

Year 11 Prom, Wednesday 25th June, Sandburn Hall, Flaxton.

Year 10 'Step Up' into Year 11

It was fantastic to see so many families on Wednesday at the Year 10 Supporting Success Evening. We discussed amongst many other things the next 7 weeks schedule and the 'Step Up' into Year 11 which happens on Monday 30th June. All the staff are excited to work with such a fantastic year group which in the last 4 has embraced all aspects of life at Lady Lumley's inside and outside the classroom.

Thank you to Mrs. Steadman who organised the family tickets to Alpamare and Jorvik Viking Centre which were won by 2 families on the night. Look out for the big Year 11 launch night in September!

Mr. Fairclough—KS4 Leader

Drama News

A Midsummer Night's Dream

The play is blocked and lines are learnt (mainly!) Our set is being built and costumes are being made. Students are working really hard to get the show ready for Thursday 19th June. Please check MCAS for the updated rehearsal schedule. A reminder about our weekend rehearsal on Sunday 8th June, 10.00am – 3.00pm. All students must now be off script. Tickets are now on sale via the MCAS app.

School Uniform

A reminder about the uniform policy regarding skirt length.

Please ensure your child's skirt is knee-length or just above the knee, and not rolled up. This is to maintain a professional and appropriate school appearance. We welcome your support in speaking to your child about skirt length or providing a skirt that meets school expectations. This will prevent your child being challenged or consequence.

Full details of our uniform policy can be found on the School Website.

Hello Dolly at The Kirk Theatre

We have 4 students taking part in Hello Dolly at The Kirk Theatre in Pickering starting Tuesday 10th June to Saturday 14th June. Annabelle G, Amelia D, Emma W and Isobel D who are all part of Sarah Louise Ashworth School of Dance. Well done girls!

Charity Skydive

Have you heard about Jo's incredible skydive?

Joanne Peel, mum of one of our Year 10 students, is taking the plunge to raise funds for Pickering Preschool Playgroup, a place that plays a vital role in our community. This is an opportunity to support a great cause while Jo does something truly brave.

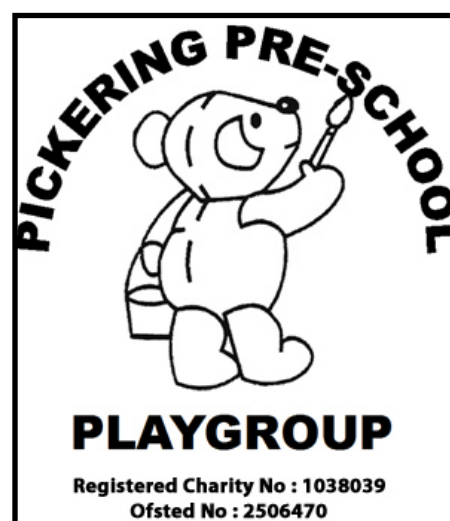

Every penny you contribute will directly impact the preschool, helping to provide resources and opportunities for the children.

It's inspiring to see someone step outside their comfort zone for a cause that means so much. Your support, no matter how big or small, can make a real difference in ensuring a positive experience for our little ones at the preschool.

Let's rally together and show our support for Jo and the future of Pickering Preschool Playgroup.

Thank you for considering a donation to this worthy effort.

<https://gofund.me/34b33c81>

Attendance

Attendance can have a significant impact on progress, and the Department of Education research has shown that “pupils who performed better both at the end of primary and secondary school missed fewer days than those who didn’t perform as well”

Children missing a week of school are 2.2 times less likely to achieve 5 or more good GCSEs or equivalent at grades including in English and mathematics.

As a school, we expect students to attend regularly (95% as a minimum). Attending school regularly will help set students up with good routines for later in life and the working world, as well as giving them the opportunity to:

- Make friends and feel included
- Learn new things and develop skills
- Increase confidence and self-esteem
- Improve social skills
- Achieve their potential and fulfil aspirations

190 days in school	10 days absent	19 days absent (almost 4 weeks missed)	29 days absent (about half a term missed)	38 days absent (8 weeks missed)	47 days absent (Almost 10 weeks missed – over a quarter of the school year)
	180 days in school	171 days in school	161 days in school	152 days in school	143 days in school
100% attendance	95% attendance	90% attendance	85% attendance	80% attendance	75% attendance
Excellent record	Good record	Needs to improve	Cause for concern	Poor	Very poor
Gives the best possible opportunity for success! You are likely to achieve your potential and meet or exceed your targets! Well done!		Gives less chance of success. You are less likely to achieve your potential and meet your targets.		Much less chance of success. You are unlikely to achieve your potential and meet your targets.	

As parents and carers, we ask that you:

1. Advise us of any serious medical conditions that we may not be aware of
2. Support us in trying to keep students in school and accessing their learning. There is a useful guide here that gives advice on whether your child is too ill for school <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>
3. Avoid booking term-time holidays. We appreciate the impact of the economic crisis and that holidays are cheaper in term-time however we would ask you to consider the longer term impact of the holiday. Students may have a lovely time whilst away but on their return they are out of routine and have missed significant portions of learning in lessons. This results in them struggling in the lesson and anxiety increasing as they try to catch-up.

Students who frequently present as unwell often have another underlying issue e.g. friendship issues or bullying. Please discuss this with your child and inform their Pastoral Officer if they share any worries with you.

We really appreciate your continued support in these areas.

Manga Creative Workshop with Simon Crook

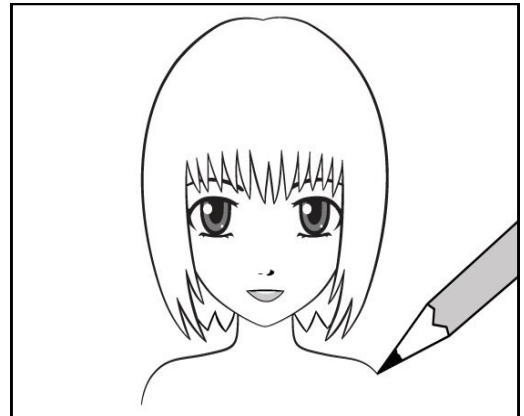

On Friday 16th May 17 students from Year 7 to Year 10 were invited to a creative drawing and writing workshop on Manga, with Simon Crook, a visual artist who specialises in many things from writing picture books to designing t-shirts!

Simon worked with the students modelling how to come up with a character and elements for them to write about, then focused on manga style drawing techniques for them to develop them further. Students learned how to draw their characters from different angles and focus on different facial expressions.

Some quotes from our students about the workshop:

'It was great fun interacting with others and drawing in this style'

'I loved it, I actually got to show my art and learn new art skills'

Huge thank you to Jules Brown and Elaine Burke for their work in organising visiting writers and creative people to come to our school to work with our students through their Write Now project. We have been really lucky to have their support in developing opportunities for creativity and the arts in our school.

In the final half term of the summer term Ms Rueth and I will be running an after-school club on Wednesdays in the library to follow up on the work students did with Simon in the workshop; students will be focusing on character development and creating storyboards.

Students who attended the workshop (or any who didn't but who are interested in manga drawing and storyboard creation) are welcome to attend – we are looking forward to seeing you there!

Miss Wilson - Curriculum Leader MFL and Reading Lead

North Yorkshire Football Success – Lola B

Lola was nominated by the PE staff for football trials along with 150 other girls battling for a place to represent the county. After making her way through the second round of trials we are delighted to say that Lola made the team. The team have been doing well so far—keep it up!

Well Done Lola!

Year 9 Design and Technology Success!

Year 9's have been finishing off their fantastic sustainable lantern projects. The lanterns, which are made from reclaimed hard and softwood showcase a plethora of skills, including CAD, CAM, woodworking and electronics! The DT team have been incredibly pleased by the effort and motivation of our designers. Well done Year 9!

Year 9 Duke of Edinburgh Award

Next week Year 9's will have an assembly about the Bronze DofE Award. If they decide the DofE is for them, they will write an application letter for the Award. Tutors will be supporting students writing this letter in tutor times. In the meantime, parents/carers and students should have a look at www.dofe.org to see what is involved in this fantastic award! Here is a taste of some of our previous DofE trips and excursions.

Year 10 DofE

Year 10's have been planning their expedition routes for their forthcoming July expedition. There was such a buzz this week during the after-school planning session and it was great to see our students engrossed in their Ordnance Survey maps and planning their Summer adventure!

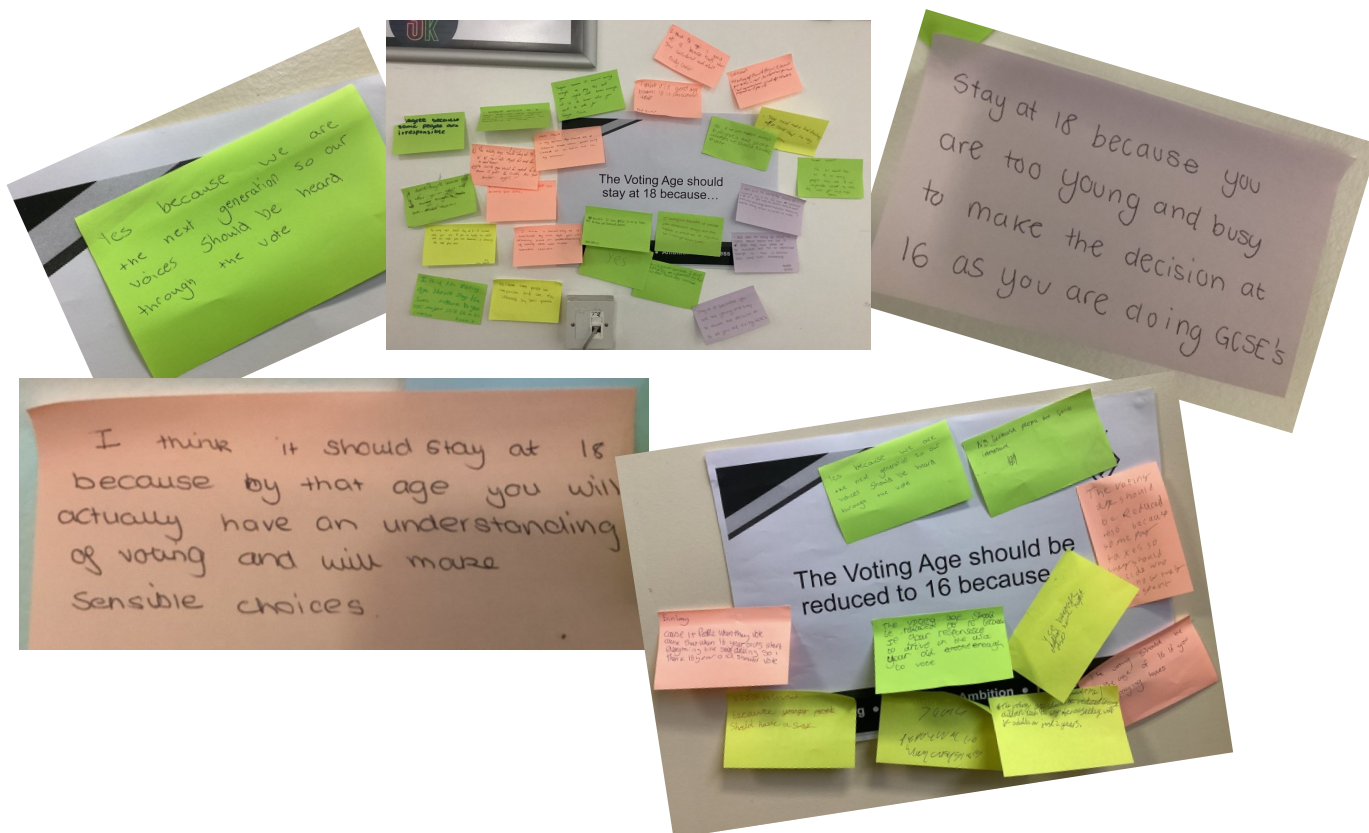

Year 8 Peat Rigg Trip

There will be an important assembly on Monday for all Year 8 students about the upcoming Peat Rigg Outdoor Education trip. Mr Mann will explain all aspects of the trip, including exciting activities such as climbing, bushcraft, canoeing and mountain-biking! This is a fantastic opportunity for adventure and leadership! Payment for the trip will open on MCAS within the next week. Here are some pictures from last years trip to give you a taste of the exciting things we have planned.

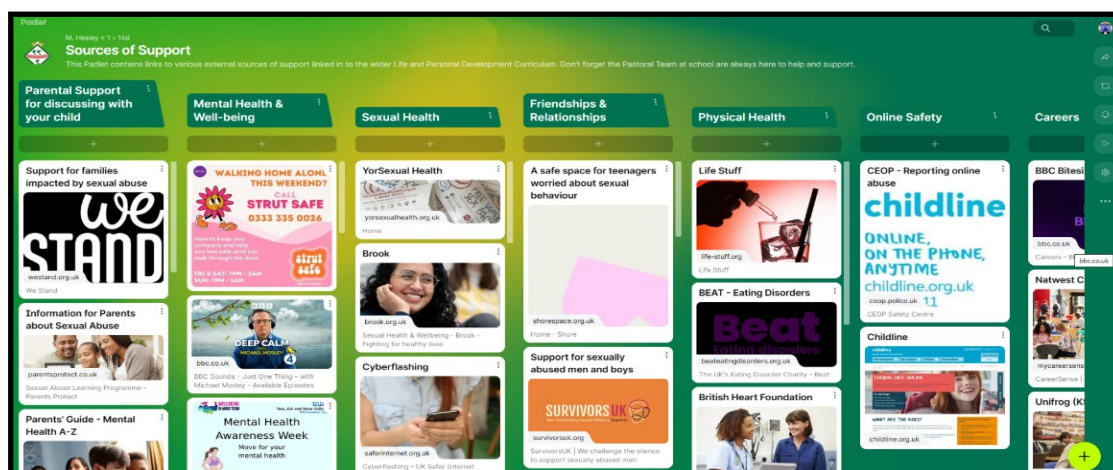

Votes at 16?

Before half term, as part of the morning 'Quiz-Up' routine in the canteen, students explored a range of issues building up to a post-it debate about whether or not the voting age should be lowered in England to 16. As you can see, students made some insightful contributions!

Growing Up in North Yorkshire Survey

Last year, students in Years 8 and 10 (now 9 and 11) took part in the Growing Up in North Yorkshire survey. This takes place every two years, and is used both at a county and school-level to better understand the habits of our young people. At Lady Lumley's, we use it to track safeguarding and pastoral trends, as well as using it to give us insight into the taught PSHE (Life) curriculum. It has helped us tweak provision in Life lessons around vaping, wellbeing and careers, as well as helping us better signpost sources of support in school. Attached to the newsletter, you can find the County summary and how this has affected/will affect decisions made at a county-level regarding provision and services for our young people. The flyer includes information about sources of support, which can also be found on our Support Padlet: <https://padlet.com/mheeley1/supportLLS>

Lady Lumleys Year 10 Last District Rounders Tournament

Overall, the girls played an amazing last tournament as a year group ending on a positive by finishing in 2nd out of 5 teams.

For the 1st game we played against Malton and started off batting, managing to secure a good 6 rounders which put us in a good position. Then we switched over and went to fielding, all the girls worked well together as a team which prevented Malton from gaining any more points as they finished on 3 1/2 rounders making it a good start to the tournament for Lady Lumleys.

Lumley's second game was against Filling Hall, and as a team we all believed this was our best game by working together and managing to get 11 1/2 rounders which was the most rounders scored in a game throughout the whole tournament by any team making it our best win.

After winning 2 games already, we were in a good position for the final. Our next game was Scalby who put up a good game and was a close one. Lumley's were good at fielding, managing to get out the majority of the opposition players making it a 7 1/2 to 5 1/2 win to us.

Our final game came calling and was against Ryedale. Both teams unbeaten as it came down to the last game. Both teams were playing well, and it was a close game but unfortunately Ryedale got a few good hits managing to just edge above us and take the win.

We played very well as a team, and it was a good last tournament to play together as we all thoroughly enjoyed it!

Match report by - Rachel H

Community Project

Ms Steadman took a group of Year 10 volunteers to paint the railings next to Pickering Co-Op as a community project working with Pickering Town Council. Pickering's new Mayor Cllr Nunn also came down to show support.

Amazing effort by everyone involved and we had Year 9 students who also turned up after school wanting to start their Duke of Edinburgh volunteering early. A massive thank you from me and the rest of the council!

A reminder that Pickering environment group are hosting its give and take event on Sunday morning at 9am, so if you have anything to drop off on Saturday, doors open at 5.30-7.30pm where you will see some of our volunteer students helping out.

Emma Steadman - KS4 Year 10 Pastoral Officer

Prom Tickets

Year 13

A reminder Prom tickets are now on sale; you will find this on the MCAS products section on the app. The ticket is £33pp. This includes a 2-course meal and a DJ. The Prom will be held on Wednesday 25th June at The Old Lodge, Malton. Tickets must be paid for by Tuesday 17th June at the latest.

Year 11

The tickets for Year 11 Prom are now available on the My Child At School App for students who hit the criteria. Prom will take place at Sandburn Hall on Wednesday 25th June. Tickets are £45 with a £5 discount for those students who attended the Supporting Success evening.

Treat Time!

A massive thank you to Amazing Graze in Pickering for providing a chocolate dipping breakfast platter for Year 10's Tutor of the week.

Mrs Martin's tutor group really enjoyed it along with the requested milk and lemonade to wash it all down with. Well done Feversham for winning again!

Amazing Graze and Cafe Stop also provided our staff with some delicious treats this week which were gratefully received at staff briefing.

Emma Steadman - KS4 Year 10 Pastoral Officer

Dates for the Diary

HALF TERM 6

Monday 16th June—School Production Dress Rehearsal & Tech Day
